

OI Foundation Medical Consultations- Request an Appointment

The OI Foundation Medical Consultation Day is the opportunity to have a face-to-face meeting with a physician, physical therapist, or social worker with extensive experience working with individuals with osteogenesis imperfecta. Appointments are free of charge; however, adults and parents must be registered for the OIF Regional Conference at Nemours Hospital in Wilmington, Delaware to apply for a medical consultation appointment.

Important Information about OIF Medical Consultations:

- Appointments will take place on Saturday, October 26th from 8:00am – 9:00am and will be assigned on a first come, first served basis.
- Each appointment will be 15 minutes long and all will take place in the same room.
- No examinations are allowed; only conversations will take place.
- Please bring hard copies of any relevant medical images or records you plan to show physicians. Physicians may not be able to access digital medical records during consultations.
